Note 1

D-Link DCS-5220 (B1) is not a compatible camera model.

Note 2

For ACTi TCM and KCM series, you can define the resolution and fps of the second stream on the camera's page for streaming from server and local display. The default resolution is VGA.

Note 3

Only the brand can be searched, but not the model name.

Note 4

Not supported in 3.7.0.

Note 5

Known bugs for live view.
